# EMS IS GROWING AND TRANSFORMING. ARE YOU?

In a rapidly changing healthcare environment, you can't afford to still be thinking "inside the box". Challenge old assumptions, expand your thinking and unleash your potential for learning and growing at EMS World Expo. Join us in Las Vegas and uncover new possibilities:

- World-class faculty and thought-leaders presenting the latest techniques and trends in prehospital care
- 175+ CEU-certified educational sessions across 8 topic tracks
- State-of-the-art technology, products and services from 360+ exhibitors in the industry's largest exhibit hall
- Hands-on learning opportunities including agency ridealongs, trauma center tours, cadaver lab, simulation lab and more
- Free CE in the Exhibit Hall Learning Center
- More international networking opportunities than any other national event
